

## 6160 Deluxe Custom Alpha Keypad

Security and Convenience at Your Fingertips

Our Deluxe Custom Alpha Keypad combines enhanced security and the utmost in user-friendly convenience. The attractive white console blends in perfectly with any décor, and features a contoured, removable door that conceals its illuminated soft-touch keys. The keypad features a large, bright 32-character plain English display that makes it easy for you to use your security system. Our keypad features four oversized function keys, easily accessible even when the keypad door is closed. Function keys can be programmed by your security professional for single-button operation and to notify the fire department, police or medical personnel in the event of an emergency. Each can be color coded for easy use.
