

# LYNX Plus

**Make More Money on Every Sale!**

**Honeywell**

## LYNX, Plus a Whole Lot More!

Sleek, smart and state-of-the-art, LYNX Plus provides the performance and installation ease you've come to expect from the quick-install wireless favorite, plus exciting new features that offer you more opportunity than ever.

- **Close More Business**

LYNX Plus has features your customers will appreciate, including:

- New smaller, sleeker design
- Easy to read two-line by 16-character backlit display that describes system status and zone information
- Voice announcements of system status or alarm conditions

- **Increase RMR**

LYNX Plus supports services customers value and are willing to pay for, including:

- Two-way voice over GSM for the growing number of cell phone only homes
- Total Connect Services, which let them control their security systems and receive instant notification about important events in and around their home from any remote location

- **Save Money**

- LYNX Plus reduces your installation costs with:
  - Hinged cover that reduces installation time and simplifies wiring
  - GSM radio with built-in antenna that quickly installs in the back case
  - GSM signal strength indicator on the display that helps installers to easily find the best installation location
  - Keypad-initiated GSM radio registration that enables installers to register the radio without opening the case
