**We have the solution.**

## Protect Your Accounts

- Lyric® Lock and SiX™ sensors protect your accounts from takeovers – helping you keep your accounts longer while making your business more profitable

Need a **smarter** path for growth?

**We have the solution.**

## Grow Your Revenue

- AlarmNet 360™ Insights can help you identify opportunities with existing customers to simplify customer growth
- Lyric can get you into new markets – like the renter community
- Go beyond security and sell more connected devices

## Honeywell Lyric Platform

### Lyric Gateway

Truly plug and play, the Lyric Gateway installs in minutes not hours and is the best way for dealers to grow their businesses with a great connected home experience and – simply the fastest install.

### Lyric Controller

Powerful and efficient, the Lyric Controller delivers a great connected home experience right out of the box – putting consumers' homes at their fingertips with a dynamic, 7-inch display or remotely on everyday smart devices.

### SiX Two-Way Technology

Next generation, two-way, encrypted wireless peripherals which are easy to install, support remote diagnostics and updates to reduce truck rolls, and are secured with Lyric Lock to protect accounts from competitive takeovers.

### Honeywell Total Connect® Remote Services

Deliver a great user experience, while keeping customers connected to their homes or businesses. Earn more RMR and capture new accounts with the industry's only true, end-to-end security and remote services platform.

### AlarmNet 360 Insights

Take advantage of the new AlarmNet 360 Insights interactive dashboard. This powerful tool provides business intelligence data for business owners, executives and managers simplifying customer growth and customer service.
