Total Connect Remote Services

## Make Your Smart Home Even Smarter

# Integrate Your Favorite Smart Devices

Control your smart devices anytime, anywhere using the Total Connect 2.0 app, and enjoy the convenience of an even smarter home. Our smart ecosystem is expanding so you can connect your home security system with other brands you love.

## Amazon Alexa

Have an Amazon Echo device? Today, Alexa lets you arm your system and activate a smart scene. Soon, you'll be able to manage your smart devices using just your voice. Enable the Total Connect 2.0 skill in the Amazon Alexa app.

## August Smart Lock®

Remotely lock and unlock your doors with August Smart Lock.

## Honeywell Home Smart Thermostats

Our connected thermostats provide some of the most advanced, lifestyle-enhancing solutions for energy savings, comfort, and control—right on Total Connect 2.0. Choose from a wide variety of options to meet your needs.

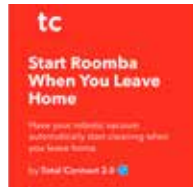

## Coming Soon Google Assistant

Use your Google Home device to control your security system and smart home by talking to Google Assistant for safety, comfort and convenience. Add Total Connect in your Google Home App today.

## Chamberlain and LiftMaster myQ Smart Garage Door Control

Control myQ connected garage openers, and open and close garage doors remotely to allow or restrict access. Receive open and close activity alerts so you know when people come and go.

## IFTTT (If This, Then That)

Simplify your life and connect more devices and services together. With these connections create "applets" to automatically run an action based on a trigger occurrence.

## SkyBell® Video Doorbell

Always know who's at the front door. See, hear, and speak to visitors, and watch recorded doorbell activity for extra security. Remotely lock, unlock, arm, and disarm your system from a single screen.

Contact us today to add these connected devices to your Total Connect 2.0 account.
