

Peace of Mind Unleashed

Best-of-breed solutions that keep you connected to your pet.

Pet-Friendly Protection

tc Truly a pet lover's best friend, Honeywell Total Connect Remote Services can keep you connected to your pet on our easy-to-use app – any time, anywhere, on your iPhone®, iPad®, Android™ device or HTML5 website. Put your mind at ease with real-time alerts, live video and best-of-breed solutions that help ensure the safety, health and comfort of your pet. Unleash your peace of mind.

- See, hear and speak to your dog or pet sitter at your premises, and take a screen shot of video activity – all from the same screen
- Know what your pet is up to 24/7 with live, look-in video and alerts
- Talk to your pet 24/7 and let your furry friend know you miss him or her
- Know if smoke, carbon monoxide, floods or extreme temperatures have been detected, if outdoor gates are left open or if kitchen cabinets with dangerous chemicals are ajar
- Remotely adjust lighting and thermostats to ensure your pet's comfort, or unlock a door so a friend or neighbor can tend to him or her
- Honeywell's motion sensors can detect the difference between an intruder and your beloved pet – letting animals up to 100 lbs. move freely about your home without tripping an alarm
