

Tuxedo Touch® Security and Smart Controller

Smart Homes. Smart Businesses. Smarter for You.

The Tuxedo Touch® Controller brilliantly transforms new and existing VISTA® installations into smart homes and smart businesses – perfectly blending intuitive security system control and powerful automation together. A smart choice for dealers, the Tuxedo Touch Controller can help increase system add-on revenue, reduce attrition and drive additional RMR.

Smarter Security and Automation

- High-resolution 7" TFT display – only 1" off the wall
- Intuitive touchscreen with menu-driven prompts
- Voice annunciation of system status
- Supports 232 Z-Wave® 500 devices

- Up to 20 scenes activated by time, day, action or conditions
- Up to 8 IP cameras viewable on the display – single or quad view

Smarter for You

- Minimize service and site visits with Resideo updates through Wi-Fi® and a convenient SD card slot
- Backplate enables easy upgrades of already installed 6160 and 6280W keypads
- Two branding options: TUXEDOW with Honeywell Home and TUXEDOWC with Resideo
- Embedded sales and training videos
