

Hybrid Systems: The VISTA® Residential and Light Commercial Family At-A-Glance

A proven security and life safety platform that's highly flexible and scalable, offering a wide selection of hardwired and wireless sensors, numerous user interface options, and support for automation capabilities.

VISTA-15P

With up to 32 zones, this workhorse is a proven solution with a massive installed base that's ideal for residential and small to medium business installations.

VISTA-20P

Expands to 48 zones and two partitions to meet the needs of larger residential and light commercial installations.

VISTA-21iP

All the power of VISTA-20P with integrated communications, including a built-in Internet Communicator and an optional snap-in radio.

VISTA-48LA

Expands to 48 zones and 3 "true" partitions (or 2 "true" + 1 "common") to meet the needs of larger residential and light commercial installations. (For sale in Latin America only.)
